Tips for the Pet Lovers

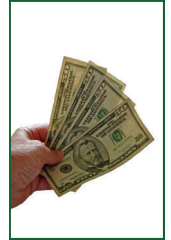

As the pet friendly community that we are, we thought it would be appropriate to share some pet tips with you animal lovers!

-In winter weather, be sure to wipe off your dog's legs and stomach when they come in out of the sleet, snow or ice. They can ingest salt, antifreeze or other dangerous chemicals while licking their paws.

-If your dog or cat has an accident on the carpet, soak up the majority of urine or pick up the mess with some paper towels. After that, baby wipes do a great job and pick up all smells with no stains left behind.

Resident Referral

Don't forget to tell your family, friends and co-workers about Faire Harbour Landings. Once they move in, you'll get \$500 off the following month's rent!

Blood Drive

American Red Cross

As most of you are aware, we are conducting a Blood Drive on the property during the spring. Our target time-frame is March. In order for the American Red Cross to set up a truck for blood donations, they need a minimum of 30 names of people willing to donate. So far, we have about 14 names on the list. Please help us help others in the community and sign up to donate blood.
